

CLOSING PRAYER ✠ FRIDAY

GOD OF US ALL, SHOW YOUR LIGHT

Presider: God of us all,

I know there are daughters
Who have never heard the story of their birth
Or been told the precious details of their uniqueness in this
world.

I know there are wives
Who have never been loved in ways so deep
That it must be true
Or honored in ways
That uplift the spirit.

I know there are mothers
Whose joys are too few
And whose pain too great.

I know there are women
Who live lonely and afraid,
Who carry burdens of heart and body,
Yet still rise to meet each day.

All: **Be our hope, O God**
 Be our companion, O God
 Be our caregiver, O God
 Be our peace, O God

Show Your light in all our dark places
Enliven our hearts for what is to come.

Presider: Holy eternal Majesty,
Holy incarnate Word,
Holy abiding Spirit,

All: **Bless us for evermore.**

Presider: Victoria Sicks
